Best of luck to a real sweet and close friend of mine. Don't ever forget our gaming volleyball and kickball games in gym. We sure did have some good times. Be good and have fun this summer. Lynda,

To a girl with a sense of humor, who
can understand me (of all people) and who could
when things allways looked bad make me
laugh. I'll never forget your smile during
3rd period even when Mrs. R. made me
frown! Good Luck in all you do.

Lynda,
To a dear friend
whom I could never without
have gotten along along
and didn't get too well along
with. Remember all the fun things
we've done. Remember Beth's parties
and the food we ate and sleep we didn't
get and all the fun we had. Remember the
trees we put together last year and how beautiful
they were. Remember all the signs we made for
the play. We were really artists. Remember our great chorus
and our trio this year. (It was all your fault we kept going
flat!) Remember Independent English and the work we didn't do.
It was awful hard wasn't it?!? Remember good ole Trig and our
magnificent grades we got in it. I don't know how we did so good.
Remember all the times we're dropped in and visited you and
how your dog just loved us. Remember all the fights we're
had and near-fights. But it was fun anyway. Remember our
work last summer and how we used to actually stay
awake that long. We really were the best cherry sorters there.
We never missed a rotten one! Remember the prom because I
can't. I'm so glad you got to go! Remember the senior banquet
and the bug on the table. There is no way I could forget all
the fun we've had. Don't forget how I used to hate you and you
didn't know it. I can't even remember why I didn't like you. Try
not to forget me even if you try. Don't forget all my cats and
how they liked you. (I'll give you half a dozen for your birthday)
I can't remember all the neat things we did but they were
still fun. Don't forget to write to me next fall and tell me in
on good ole North East. I'll probably see you this summer.
when you came down for tomatoes. You can stop up and order something
from Carol + Me at Paschke's. We can get together this summer before
we ~~too~~ leave.

Good luck
+
"God Bless"

Mrs. Merc,

IN YOU we have found not only a teacher but also a friend and confidant. The atmosphere of your classes stimulated our interest, and your gentle humor sustained us through the difficult times.

FROM YOU we learned the wonders of life and the challenge of exploring the unknown. You made alive and real for us concepts that before had been dry facts.

UNDER YOUR patient guidance we struggled through our Senior class play. Your skillful direction and cheerful inspiration from auditions to closing night will long be remembered. We are sincerely grateful to you for all your help. Therefore,

TO YOU we proudly dedicate the 1971 **Aquilo.**

Dear Members of the Class of '71,

My brief stay here has impressed me greatly with the spirit and educational potential of the Student Body of the North East High School. It is my hope that our administration will be able to fulfill the function of all educational administration--that of helping our staff develop that potential to its fullest.

For our Seniors who are leaving us, we wish much success in your future education and life's work; for the underclassmen, who remain with us, we wish the further development of your abilities in all phases of school life in an atmosphere of educational opportunity.

Sincerely,
Glen D. Muirhead

Dear Members of the Class of '71,

Your class has been caught up in much change and in local, national, and worldwide turmoil. The fact that we have survived and have made giant strides speaks well for both our school and your class.

Your class has distinguished itself by leadership, attainment of goals, placement on National tests, athletic and extra curricular attainment and individual development. We have been frustrated by you, filled with pride by you, and at times have shared emotionally your joy and grief. In summary, we are a part of you and always will be; like your family we will follow your future and take pride in your accomplishments.

Sincerely,
Donald G. Claypool

Dear Members of the Class of '71,

By Administrators and Faculty your class will be remembered as an active group. I wish you success in the future as you go toward advanced studies, service of your country, or the world of work. Your future success depends on your own goals and effort. To those of you who choose the fields of medicine, law, engineering, and teaching, academic ability is essential. However, many persons of lesser academic ability are successful in non-professional fields. There is room and opportunity for all of us to be successful in terms of his or her abilities and efforts.

I wish each of you success and happiness in your future endeavors and life.

Sincerely,
M. F. Hamilton

Valedictorian
Beverly Reber

Salutatorian
Deborah Sheridan

Beginning with the first school day of one's life until the last examination is taken at the end of the senior year, many hours are spent in study. This is hopefully a preparatory experience for further academic achievement. Two members of this year's senior class have earned distinction by maintaining high scholastic averages for twelve consecutive years, and as Valedictorian and Salutatorian of the Class of 1971, they are prepared to achieve future educational success. Facuty, fellow classmates, and the student body of North East High School salute Beverly Reber and Deborah Sheridan.

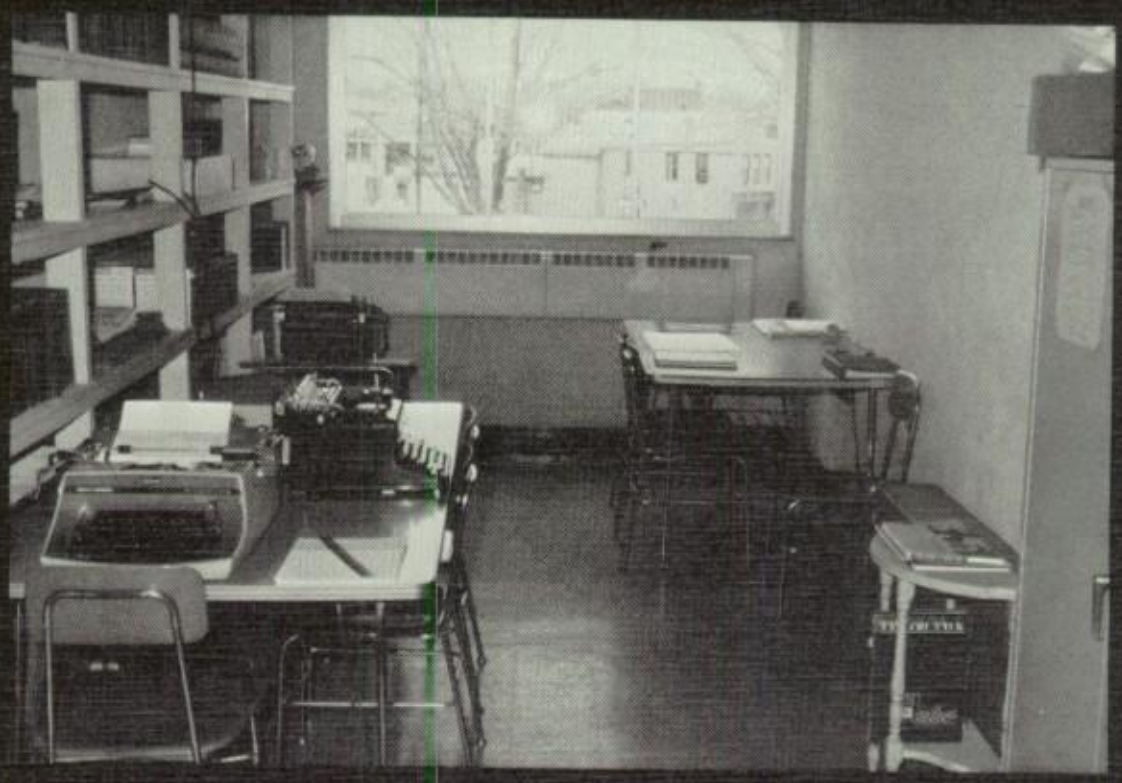
This is not the end.
It is not even the
beginning of the end.
It is rather the end
of the beginning.
—Winston Churchill



This book has endeavored to capture something of the character of NEHS and the spirit of its students. This task could not have been completed without the patience and understanding of the administration and faculty.

Special thanks are extended to Mr. Edward Koster for his time and guidance as our advisor, to Pam Shick for her typing assistance, and also to Mark Triana for the many pictures he took. Further, we extend our gratitude to Mr. Walter Paprocki of Arfax Studio and the Walsworth Publishing Company who have made this book a reality.

yearbook will become somewhat out of date. We hope, however, that there will be moments in the future devoted to the sentimental and that the 1971 AQUILO will serve to recall a memory or two.

To Lynda - an Irish Blessing:
May the road rise up to meet you
May the wind be always at your back
May the sun shine warm upon your face
May The rain fall soft upon your fields

Lynda,
To one of
the greatest
persons that I
know. Congratula-
tions on being in the
N.H.S. I knew you'd
make it. Never forget all
our wonderful times since I
first really knew you in sixth
grade. I'll never forget all the
notes we used to pass in music
class & all yours & Elaine's love affairs.
I'll never forget the fun we had eating
pizza at your house. I'll never forget your
great proficiency in German. In years from now
when you turn through these dusty pages you pro-
bably won't even remember the crazy person who
wrote this, but I don't think I'll ever forget you and
all your little funnies. Good Luck in what ever you decide
to do in your future. I'm sure you'll succeed in what-
ever you do. Keep in touch & I hope I'll see alot of ya this
summer. You're still one of my best friends even though you
don't like to swim in my pool. Never forget the muddle
volley ball & your Snoopy cake. Thanks alot for being
one of the best friends a person could have.
your loyalty & friendliness are beyond belief.
Love and peace be always with you
and I'm sure you'll find happi-
ness wherever you go. You're
just that kind of a person
never forget me & the

Love always
